A 3D architectural rendering of a building facade. The building has a light beige wall and a dark brown base. A central section features three vertical panels. Red lines indicate dimensions: a vertical line on the left wall is labeled '3,3 M', a horizontal line at the base is labeled '5,12 M', and a vertical line on the right wall is labeled '2,5 M'. The sky is blue with light clouds, and a fence is visible in the background on the right.
